

Natural Avalanche b/w Cooke City and Silver Gate

Date

Mon, 02/27/2023 - 18:05

Activity

Skiing

I think this natural avalanche happened about 24-48 hours ago. (pretty sure it wasn't there 2-3 days ago?). It's an E, SE [aspect](#), about 9200', between Cooke City and Silver Gate.

Region

Cooke City

Location (from list)

COOKE CITY

Observer Name

Beau Fredlund
